Your initiative

Title: Start Unconditional Basic Income (UBI)

Objectives of the initiative: Subject Matter: We request the EU Commission to actively support all member states in introducing an unconditional basic income that ensures every person's material existence and opportunity to participate in society. Objectives: The introduction of an UBI shall achieve the aims of the EU to eliminate poverty, combat racism, social exclusion and discrimination. UBI will promote democracy, life in dignity and freedom, gender equality, social protection and justice, solidarity-oriented society, socio-ecological transformation of society and economy, and personal control of one's time.

Provision(s) of the Treaties: TEU Art. 2; TFEU Art. 5; Charter of fundamental Rights (CFR) Art. 1, 5-6, 15
